# WW3: The Holocaust of Russians & Chinese in North America

Written By  
Donald Trump & Kellie Leitch

**It has begun! World War 3 is upon us!**

Russia's deputy foreign minister said Sunday that his country was poised to retaliate aggressively against any new U.S. sanctions on Moscow.

"I think retaliation is long, long overdue," Sergei Ryabkov said on ABC's "This Week with George Stephanopoulos. "We have a very rich toolbox at our disposal."

His comments come as Russia announced Friday that it would seize U.S. diplomatic properties and expel scores of U.S. diplomats and other staff members.

The steps were described by Ryabkov as retaliation for the punitive sanctions bill passed by Congress on Thursday, an effort to address Russia's meddling in the 2016 U.S. election. On Friday, the White House said President Trump plans to sign the legislation.

**NUCLEAR** weapons, tanks and soldiers from China's army showed off the might as tensions rise with the West.

President Xi Jinping – decked out in his military uniform – inspected the massive People's Liberation Army (PLA) on the military force's 90th birthday.

Helicopters and warplanes screamed overhead as dozens of tanks and tens of thousands of troops marched in terrifying unison.

Behind them rolled huge missile launcher carrying China's nuclear weapons and hundreds of gun bristling trucks.

The fearless display came as tensions rise with the West over dispute territory in the South China Sea and China's relationship with North Korea.
